

## PICK-A-PROJECT #3

**31 JULY – 13 AUGUST**

# WOOLLY WEST FEST

## Urban Oversized Crossstitch

Cook Walk (between Robsons Pharmacy and Just Jeans) the walkway we first started decorating. Maybe our sentimental favorite, so we have a special something for this one. Cross stitch on wire pet mesh, design of your choosing or google one. By taking this traditional and very pretty form of stitching we are looking to increase the size and use it to decorate the inside of the corrugated iron that shelters the hanging lights.

Be traditional, be street arty, be sheepy - whatever your choice we are hoping it's bright. Contact the Knitwit to discuss, mesh can be supplied local to our area (Hamilton).

Materials: pet mesh 1.5m wide x as high as you need for your chosen pattern, masking tape, wool, wool needle
