

## PICK-A-PROJECT #2

**31 JULY – 13 AUGUST**

# WOOLLY WEST FEST

## Lovely Lamposts

Corriedale Lane (NAB Bank, beside the Grand Central Hotel) another thoroughfare with lovely lighting. We would like you to adopt-a-lampost of your own, materials provided (locally). The task would be to knit/crochet mini fruit or veg or lifelike flowers, then using a repurposed parking meter cover, embellish with your chosen vegetation. We love the pocket garden, so in a nod to this wonderful community space we'll show it a little woolly love.

You could pick your own pattern or use one recommended by us, your work could be 2D or 3D, some wool can be supplied by us or you can source your own (you know, when the colour you need is just not one that we have).

These will end up being the permanent annual installation for this laneway.

Materials: wool, crochet hook, knitting needles
