

PICK-A-PROJECT #6

31 JULY – 13 AUGUST

WOOLLY WEST FEST

Busy bees for the Hamilton Pocket Garden

We need more bees! If only it was as simple as knitting a few more for the world. To shine a light on these gorgeous little critters and think about our need to keep them buzzing, we are looking for people to knit, crochet or amaguri a bee or three. You can google a bee pattern, unless you have one already. We also would like someone to cover the square beehive.

In partnership with the Hamilton Pocket Garden, this will become their piece/property once created. We will connect you with the appropriate contact person and the gig's all yours.

Materials: wool, knitting needles, toy fill
