

PICK-A-PROJECT #5

31 JULY – 13 AUGUST

WOOLLY WEST FEST

Pretty Poppies on the hedge

A nice activity for the residents who still knit, their families and friends and the Staff. A very simple concept creates a great result. This pattern is taken from the *Arne & Carlos* book “*Knit-and-Crochet Garden*” which was a focus of the WDHS 2016 Woolly West Fest installations.

As you can see the nets are huge, there’s plenty of room for more, so keep on knitting. It creates such a lovely effect when you drive in the Birches round-a-bout.

Pattern provided from the book. Deliveries of finished poppies can be made to the Birches, Tyers Street, Hamilton.

We will have a working bee closer to the start of the Woolly West Fest to attach the poppies to the net. That includes reattaching the ones from last year. We are really looking forward to covering those hedges with an explosion of colour.

Donations of wool can also be delivered to The Birches.

Special note to WDHS gardener – has anyone else noticed and admired how beautifully manicured these hedges are?

Materials: wool, knitting needles, wool needle

Poppy Hedge
