

PICK-A-PROJECT #4

31 JULY – 13 AUGUST

WOOLLY WEST FEST

Collars

The collars up, collars down conundrum raises its head from time to time around the district. We love a crocheted collar and even more we love them around a tree. Bringing a splash of colour to the Gray Street CBD it's wonderful to see so many different styles on display. Some are plain, some are fancy, some are embellished but all are beautifully executed.

This is a total find your own pattern and colour combo project, you have artistic and creative control ... as long as it's wool and it must be crochet to go on a tree.

Treble, double, Tunisian, Bargello, broomstick, shell – are the styles we have thus far, can you add another?

Materials: wool, crochet hook.
